## Accommodation and Auxiliary Aid Request Form

Brookfield Zoo Chicago strives to ensure that all guests, participants in various programs, events, and classes, and job applicants, including those with disabilities, have a safe and enjoyable experience and visit. If you have a disability and would like to request an accommodation or auxiliary aid, please complete this Request Form as far in advance as possible, preferably within 14 calendar days prior to the date you will be visiting the Zoo or participating in a program, class, or event. If insufficient notice is given, Brookfield Zoo Chicago is not able to guarantee that it will be able to provide the accommodation, as some accommodations require advance scheduling with outside providers, who may or may not be available.

Every effort will be given to providing the specific accommodation or auxiliary aid requested. If there is another effective, but more efficient and/or cost-effective way to provide the accommodation, an alternative may be provided instead. The completed form is to be returned to:
