(a) Contractor retains the sole right to control and direct the manner in which the Services are performed and to determine the employees, independent contractors, subcontractors, agents and other individuals who will perform the Services on its behalf pursuant to this Agreement ("Contractor representatives"). Notwithstanding the foregoing, the Zoo retains the right to inspect the Services, stop work, prescribe alterations, and monitor Contractor's performance to ensure that the Services are performed in accordance and consistent with this Agreement. Contractor acknowledges that the Zoo's primary business is the operation of a zoological park and that one of the Zoo's primary concerns is the safety of the animals and people at the zoo, both employees and visitors; Contractor further acknowledges that the Zoo strives to maintain the good will of its patrons and the public in general and further agrees that Contractor will do nothing that will have an adverse impact on the Zoo's mission, its collection of animals, its employees, or endanger the public in any way.

(b) Contractor represents and warrants that it will perform all Services under this Agreement in accordance with standard industry practices applicable to such Services, and in accordance with all applicable Laws.

(c) Contractor hereby gives permission to the Zoo, its agents, successors, and assigns, to use Contractor's and Contractor's representatives' images (still photo, audio, and video recordings) of any performance of Services for the Zoo in conjunction with any Zoo production, advertisement, promotion, or for other related purposes.

(d) Contractor hereby assigns all rights, title, interest, copyright, and any renewal rights to the Zoo for any work produced or created by Contractor or any Contractor representative in performance of the Services.

(e) Contractor agrees not to recruit or hire any employee of the Zoo during the period of the Agreement or within one (1) year following the effective termination date of the Agreement. If the Contractor violates this provision of the Agreement, Contractor shall pay the Zoo the equivalent of three (3) times such employee's annual salary at the time of the employee's termination of employment with the Zoo, in one lump sum within 30 days of the Zoo's written demand for payment.

(f) The Contractor agrees to comply with all applicable federal, state, and municipal laws, rules, and regulations prohibiting workplace discrimination based on race, color, religion sex, national origin, disability, sexual orientation, or any other applicable legally protected status, as well as laws, rules, and regulations relating to individuals with disabilities for places of public accommodation. The Contractor further agrees that if any of the Contractor's employees, independent contractors, subcontractors, agents, or other individuals who will perform the Services will be directly interacting with the public, Contractor will provide training in equal employment, anti-discrimination, and accommodations for persons with disabilities to all Contractor employees, independent contractors, subcontractors, agents, and other individuals who will perform the Services.

(g) Contractor agrees not to assign to the Zoo any Contractor representative whose background information indicates he or she could reasonably pose a risk to the reputation of the Zoo or a threat to the safety of its staff, animals, or visitors. In fulfillment of this commitment, Contractor shall conduct a thorough county and national criminal background check and a check of the national sex offender registry for all addresses, states and counties within which any Contractor representative has resided during the seven years prior to such assignment and assess the results to determine whether such Contractor's representative's record would disqualify him or her from assignment to the Society under the terms of this provision based on the job to be performed.

Contractor agrees to provide proof of compliance with this provision by Contractor or any subcontractor, agent, or other individual or entity upon request of the Zoo, providing a copy of invoice(s) billed by the background check firm confirming the Contractor Representative's name and date and type(s) of background check(s) conducted.
